RE: Texas State Cemetery

Veterans Day is quickly approaching, and it is our annual opportunity to honor those who so selflessly gave their lives while serving our country. This year, I am sponsoring a Veterans Day ceremony at the Texas State Cemetery where we will place an American flag on the graves of those lost in military service. This event will take place on November 10th at 1pm to 3pm. I would like to thank Jeremy Brooks, volunteer co-chair, in addition to his partners in Wreaths Across America and Preston Sharp Veterans Flags and Flowers, for organizing and contributing to this event. Your collective efforts and dedication to our military and veterans are appreciated. As a retired member of the United States Army, I am honored to commemorate our late service men and women by using this special day to recognize them as the heroes they are.

May God bless our military and their families, the people they serve, and the great state of Texas!

Sincerely,

Dan Flynn
State Representative, House District 2
